The goal is not only flawless organization, but an experience that leaves a lasting impression and is remembered naturally.

LOCATION

Located on Cape Monumenti, at the intersection of sea, history, and contemporary architecture, Monumenti Heritage Hotel & Congress Center offers a distinctive setting for business and private events. Surrounded by the sea on three sides and connected by a bridge to St. Catherine Island, the hotel provides a sense of seclusion and calm while remaining close to the historic center of Pula. Views of the marina, sunsets, and the Brijuni Islands create a powerful atmosphere that lends every event a distinctive character and added value.

CONFERENCES

The conference spaces at Monumenti Heritage Hotel are designed for focused and comfortable experiences — from large plenary sessions to smaller, more intimate working formats. Spacious halls, natural daylight, and flexible layouts support a clear flow of the program, while smaller rooms create ideal conditions for dialogue, workshops, and group work. The overall experience is supported by reliable technical infrastructure and discreet, professional team support.

MEETINGS & WORKSHOPS

Meeting and workshop spaces are intended for smaller groups and interactive working formats. Discreetly designed interiors encourage concentration, open discussion, and creative thinking, while maintaining a sense of privacy and a pleasant atmosphere. Carefully considered additional services — business breakfasts, coffee breaks, and working lunches — naturally follow the rhythm of the day and contribute to the effectiveness of every meeting.

BANQUETS

The banquet offering at Monumenti Heritage Hotel is rooted in a fusion of Mediterranean gastronomy, seasonality, and carefully selected local ingredients. Each menu is designed to suit different types of events — from business lunches and cocktail receptions to formal dinners and gala occasions. Flexibility in menu creation allows for a personalized approach while maintaining a consistently high level of quality in every detail.

INCENTIVE PROGRAMS

Monumenti provides an inspiring setting for incentive programs that connect, motivate, and reward. A combination of contemporary accommodation, authentic gastronomy, and thoughtfully selected activities creates a sense of exclusivity and togetherness. Programs are shaped according to group dynamics, balancing shared experiences, relaxation, and exploration of the local context.

WEDDINGS

Weddings at Monumenti unfold in an environment that naturally brings together the sea, architecture, and an intimate atmosphere. The Secret Garden offers a magical setting for open-air ceremonies and formal banquets, accompanied by views of the sea and sunset. The gastronomic offer is based on seasonality and local ingredients, while a professional team takes care of every detail. For those who prefer a fully controlled setting, elegant indoor halls are available, adaptable to various celebration formats.
